WFSG EXIT CONFERENCES were held with all principals on May 8 and May 9 with Carlene Murphy, Dr. Eddie Ingram and C&I directors. Documentation of actions plans, pre and post assessment, principal feedback and Instructional council meetings were shared. It is evident that teachers have done a tremendous job collaborating and sharing strategies which had a direct impact on student achievement. The data was overwhelming in many cases. The data from the exit conferences as well as the surveys will help as we plan for the 2006-2007 school year. -- Dianne Carter

SURVEYS: The WFSG survey will be active until May 19th. Please take time to complete the survey. Your feedback will help as we plan for 2006-2007. An executive summary of the survey results including comments will be shared prior to the end of school.

In addition, a Title II Needs Assessment Survey has been sent to district personnel; a Reading First Survey to teachers and teacher assistants in K-Grade 3 in Reading First Schools; an a year end evaluation survey to ILT 1 and ILT 2 teachers. -- Dianne Carter

Reimbursement for PRAXIS II: Please note for reimbursement to any teacher taking the PRAXIS II during the current school year ----a reimbursement form must be submitted with documentation of payment to Dianne Carter at Mitchell Media Center on or before June 15th in order to be reimbursed on or before June 30, 2006. -- Dianne Carter
