Snow Makeup Days: The first snow makeup day for students on the traditional calendar will be March 11th and the second May 25th. For the modified calendar the first makeup day will be March 21st and the second March 22nd. Depending on what happens this weekend, there could be more changes in our future. Stay tuned!

Suspension Committee: The final suspension committee meeting is scheduled for February 3rd at 7:00 p.m. The committee will discuss the proposed changes that focus on consequences, fighting, and gang activity. If you are interested in seeing the proposed changes, ask your principal or call Debbie Williams. After this meeting, I anticipate that we will present our proposal to the Board of Education at their next Policy Committee meeting.

Whole Faculty Study Groups (WFSG): As many of you know, I've been visiting schools, talking with principals, teachers, and students. I am impressed with the quality and caliber of our students and teachers. What am I looking for? I'm looking for students who are engaged in learning. My conversation with students has been delightful and informative. Overall the students want what we want: engaging lessons, wide variety of course offerings, teachers who know them personally, and safe and orderly schools. Thank you for all your hard work. It shows!

Have a great day – stay warm and safe,

Bert L'Homme, Superintendent
