

FCS Technology Use Agreement

As a FCS student, I will:

- keep my password secret and not allow others to use it
- use the default settings on the computer, not changing backgrounds or moving icons
- only play Internet music, radio, and streaming video for instructional purposes
- only use unfiltered Internet sites and not try to bypass security/safety procedures by using tools such as proxies
- only use those web 2.0 resources (Moodle, blogs, wikis, social networking) that my teachers assign to me in a responsible way
- follow Copyright/Trademark law
- practice proper web etiquette by not bullying, threatening, or otherwise harassing my peers, teachers, and other FCS employees
- ask permission to use a printer
- use computers and peripherals (printers, mp3 players, etc) for school-related purposes and not use them for personal or commercial/business reasons (shopping, eBay, etc)
- only use FCS equipment and not bring in my own resources (laptop, smartphone, etc)

Student's Signature

Date

My teacher will:

- monitor my use actively and redirect me when not using the computer appropriately
- consult the FCS Student Code of Conduct when needing clarification of disciplinary actions needed
- provide 21st Century uses for computers/technology resources and will not use them as 'rewards'
- follow Copyright, Trademark, and other technology-related laws
- update his/her Moodle regularly with assignments, resources, and information
- review the FCS Acceptable Use Policy regularly with all students
- review Internet safety, cyber-bullying, and proper social networking annually with students

Teacher

Date

My parent(s)/guardian(s) will:

- ask me about the 21st Century opportunities I have been provided
- understand that I will face consequences by not following the Student Code of Conduct
