## NEWS RELEASE

Friday, August 28<sup>th</sup>, 2020

### Franklin County Schools Nutrition Services transitions to Plan C system

*LOUISBURG*—Franklin County Schools families who either purchase school meals or have completed applications for free and reduced meals will transition away from the summer meals structure to the Plan C system beginning Tuesday, September 1<sup>st</sup>.

FCS is excited to offer meals to students under the National School Lunch Program through one of our many curbside pickup or satellite meal stations (see the full list of locations below). For the 2020-2021 school year, all students approved for reduced-price lunch under the program will receive meals free of charge. Student meals will also be available for purchase.

“Having access to an affordable, nutritious school meal is a vital component that helps maximize the learning potential of thousands of our students,” said Dr. Rhonda Schuhler, Superintendent of Franklin County Schools. “We are committed to creating solutions to any obstacles that keep our students from participating in the district’s nutrition program, regardless of the plan for student instruction (A, B or C) under which we are operating.”

The first step for FCS’ families who want to participate in the reduced/free lunch program is to apply online at [www.fcschools.net](http://www.fcschools.net) by visiting the “Services” tab and clicking on the “Free and Reduced Lunch Application” link in the drop down menu, which is also available here: [Free and Reduced Lunch Application](#). Families can also visit their school to complete an application.

For those families who don’t qualify for free or reduced benefits, the cost for FCS’ nutritious breakfast is \$1.25, while the cost for the fresh lunch is only \$2.70. Parents can preorder and prepay by accessing their Meals Plus account. Please contact your school or FCS Nutrition Services for more details.
