

There is still time to participate in the 2020 Census. The deadline was recently extended to October 31, but this extension is being challenged in court. So, don't delay! Respond today! Your response is confidential, and your privacy and information are protected. Your response helps direct billions of dollars in federal funds to local communities for schools, roads, and other public services. The results from the 2020 Census will also be used to determine the number of seats each state has in Congress and your political representation at all levels of government. The survey takes about 10 minutes to complete and can be found online at:
